

## Gospel of Mark in the Bilin or Bogos Language, Vienna 1882.

The Gospel of Mark in the Blin or Bogos Language (90 pages) was written by Prof. Leo Reinisch for the British and Foreign Bible Society in 1882. The book is written entirely in the Blin language in Ge'ez script. This book is now considered as one of the important old documents, and it is fully digitalized being sponsored by the University of Toronto in Canada. Its identifier access is:
